79 (maksim sheryamov) re mainichi report that federation of
economic organizations of japan has outlined plan to form socalled
pacific zone of free trade to be submitted to nakasone for
discussion with president reagan. says this is another version of
pacific community which tokyo and washington have been trying to
get thru lately, purpose being to drag countries of region into
new pro-imp bloc whose policies would be determined by u.s.-jap
axis. but formation of new pro-u.s. group is facing many
obstacles. marcos feels caution should be displayed in approaching
such concepts, because they give smaller countries secondary
role. indonesian observer said initiative for socalled pacific
community must be rejected. Papua new guinea prime minster said
it would serve primarily u.s. interests. developing countries
are worried about propsect of losing econ independence and about
milit aspects of planned community. (5 min: enginter 1431)
